

Arts & Cultural Services Plan

Township of Langley

This comprehensive plan was developed through extensive community stakeholder consultations, supplemented by research on promising practices, a web-based community survey, key informant interviews and input from staff and government officials. The Plan outlines a Vision, Mission, and five goals:

1. Create *new* spaces and maximize *existing* spaces for arts and culture to thrive.
2. Improve communications among all artists and arts and culture groups in the area.
3. Establish new collaborations, connections & partnerships among arts and cultural stakeholders.
4. Ensure diversity of programming is included in service delivery through creative marketing.
5. Promote culturally age-relevant arts and cultural experiences.

Recommendations and an implementation plan were provided to assist in the achievement of these goals.
